This is your space to think about the awesome year ahead! Fill it out to set your course for success and fun.

### What I want to learn this year:

(Think about a cool history topic, a science concept, a new math skill, or even something in art or music.)

---

---

---

---

### My biggest goal is:

(This could be getting a certain grade, making a sports team, joining a club, or finishing a big project.)

---

---

---

---

### How I plan to achieve it:

(What steps can you take? Examples: Study 20 minutes each night, practice after school, ask a mentor for help.)

---

---

---

### Something fun I want to try:

(Think about a new hobby, a club you want to check out, or a new friend you'd like to make.)
